

**SAINT CONSULTING IS NAMED ONE OF THE 5,000 FASTEST-GROWING
PRIVATE COMPANIES IN AMERICA**

NEW YORK, August 23, 2007 – Inc. today included The Saint Consulting Group on its first-ever Inc. 5,000 list of the fastest-growing private companies in the country. The Inc. 5,000, an extension of *Inc.* magazine's annual Inc. 500 list, catches many businesses that are too big to grow at the pace required to make the Inc. 500, as well as a host of smaller firms. Taken as a whole, these companies represent the backbone of the U.S. economy.

Saint Consulting is listed 3,152 on the list, with revenue of \$25 million for calendar 2006, a growth rate of 25 percent from 2003.

"The Inc. 5,000 provides the most comprehensive look ever at the most important part of the economy – the entrepreneurial part," said Inc. 5,000 Project Manager Jim Melloan. "The expansion of the list has allowed us to tell the stories of larger companies, older companies, and a wealth of companies in industries like Manufacturing and Construction that are underreported in the business media.

The 2007 Inc. 5,000, as revealed online at www.inc.com, reported median revenue of \$9.4 million and median three-year growth of 140 percent. Complete information on this year's Inc. 5,000, can be found at www.inc.com/inc5000. The list features a profile for each company, almost all of them written as a result of *Inc.* interviews with management. In addition, the list is searchable according to numerous criteria, including industry, city, state, region, and year founded.
